Tonight's Class Schedule

Corrina R. Lynch | CPC Preparation Course
Monday, November 9, 2026 | 7:30-9:30 PM Eastern

TIME	CLASS ACTIVITY
7:30-7:45	Anatomy Chapter 5: key structures and related medical terminology.
7:45-8:00	Chapter 4 review: selected homework examples and the guidelines used.
8:00-8:25	Chapters 1-3 pop quiz: 15 multiple-choice questions.
8:25-8:40	Quiz review: explain answers and clarify missed concepts.
8:40-9:20	Coding Chapter 5 PowerPoint: key concepts and coding examples.
9:20-9:30	Questions, recap and homework instructions.

HOMEWORK

1. Read the **entire Coding Chapter 5**.
2. Complete **10 Chapter 4 ICD-10-CM coding examples**. Identify the code(s), applicable guideline or instruction, and a brief explanation.

Due date: To be announced.

Bring your code books and class PDFs. Keep an error log of rules you need to revisit.

Instructor preparation: Anatomy Chapter 5 materials; quiz and key; Coding Chapter 5 presentation; 10 Chapter 4 coding cases.
